QUALITY POLICY STATEMENT

We, at R.A. Marketing cc trading as **Rhino Bar**, are committed to deliver products and services by virtue of “**Manufacturing of Tow Bars, Bush Guards, Side Steps & Roll Bars**” that consistently satisfy or exceed our customer expectations by means of implementing a Quality Management System.

To attain this objective, I, the undersigned Technical Director will ensure that the Quality Management System is documented, implemented, effective, understood and communicated to all personnel including external parties, maintained throughout all levels of the Company and available to the Public on request.

In pursuit of this Policy we will ensure that the following is addressed and adhered to:

ISO 9001 – 2008 Quality Standard

- Achieve and maintain listing to Quality Management System requirements.
- Strive for continuous improvement of performance by regular reviews of the suitability, adequacy and effectiveness of the system.
- Comply with applicable legislation and other requirements of the Region and Country where work is performed.
- Encourage suppliers, customers and contractors to comply with and implement these principles.

Product / Services are supplied on time to meet their intended purpose and performance criteria, at the right place, in conformance with the requirements, expectations and needs of all our customers.

In the fulfilment of the above Policy requirements I shall assign adequate resources of Quality and shall ensure that personnel are competent to perform their duties with excellence.

C KARAS
Technical Director
