## **QUALITY & WARRANTY**

All our products carry a 3-year Anti-Corrosion warranty and a Lifetime warranty on workmanship and performance (certified).

All parts are shot blasted and powder coated (Polyurathane UV Resistant) between 125 - 150μ thick and tested for 260 salt spray hours.

The coating is impact tested for flaking and chipping.

All our products are bar coded.

Furthermore, all our products are covered by public liability insurance against any claims. (confirmation of public liability insurance can be provided upon request).

Yours Sincerely

C KARAS  
TECHNICAL DIRECTOR
